YOUR RIGHTS UNDER THE NO SURPRISES ACT

1. You received emergency care from an out-of-network provider at an in-network facility. Under the No Surprises Act (effective January 1, 2022), your cost-sharing must be based on your plan's in-network cost-sharing rate — not the provider's billed amount.
2. You should not be balance-billed for emergency services. The maximum you may owe is your in-network deductible, copay, or coinsurance as defined by your Ambetter plan.
3. If you believe this bill exceeds your in-network cost-sharing amount, contact Ambetter at 1-877-687-1196 or file a complaint at cms.gov/nosurprises.
4. You may request an independent dispute resolution (IDR) process within 30 days if your insurer and provider cannot agree on the payment amount.
